PREFACE.

CENSUS CHARLOTTE AND VICINITY EMBRACED IN THIS VOLUME 37,306.

In presenting our second volume of the Charlotte Directory to the public it is with a perfect feeling of satisfaction to know that our efforts to render good service are being appreciated. The system used by us in the preparation of the Charlotte Directory as well as all other publications issued by us makes the service we render of the greatest value to the Business and Professional interests, and our patrons can look forward to an improvement in service with each issue. We have brought the Charlotte Directory up to a standard that is not excelled anywhere, and a resident of Charlotte can point with pride to his Directory, for in point of completeness it is at least the equal of any publication of a like character, no matter where published.

In conclusion we desire to extend our thanks to the general public for courtesies in furnishing the information necessary and to our patrons, who by their support, lent success to the work.

We are respectfully,

THE W. H. WALSH DIRECTORY CO,

W. H. WALSH, Mgr.

Manager Southern Department.

MAIN OFFICE:

BRANCH OFFICE:

Our Policies

Act like a Savings Bank.
Are Automatically Non-Forfeitable.
Pay Annual Dividends.
Give the Most Insurance for the Least Money.

We keep an individual account with each policy holder, like Banks do with their depositors. INSURANCE from 4 to 10 cents per dry for from $1,000 to $3,000.

Under the new Life, Health and Annuity Policy of the Bankers Life Insurance Co., of the City of New York, the most complete protection is afforded that was ever furnished by any company in the world. Under these contracts, a policy is a blessing instead of a burden when sickness comes, because it insures an income which will both take care of the premiums and also afford money in addition, which is available to meet other expenses.

Among the numerous benefits provided by a $10,000 Life, Health and Annuity policy are the following:

$10,000 in event of death at any time, no deductions being made for health insurance benefits already paid.

$50.00 per week during the first 13 consecutive weeks of any total disablement, after the first week of the same.

$30.00 per week during the continuance of any disablement after the fourteenth week, for 13 consecutive weeks.

$20.00 a week during the further continuance of any disablement beyond the first twenty-seven weeks until age 70.

On the anniversary of the policy nearest insured's seventieth birthday, the option of a $10,000 paid up life insurance policy, or an immediate life annuity of $250 every three months in advance, so long as the insured shall survive, or a $5,000 paid-up policy and a life annuity of $125 every three months, in advance, so long as the insured shall survive.

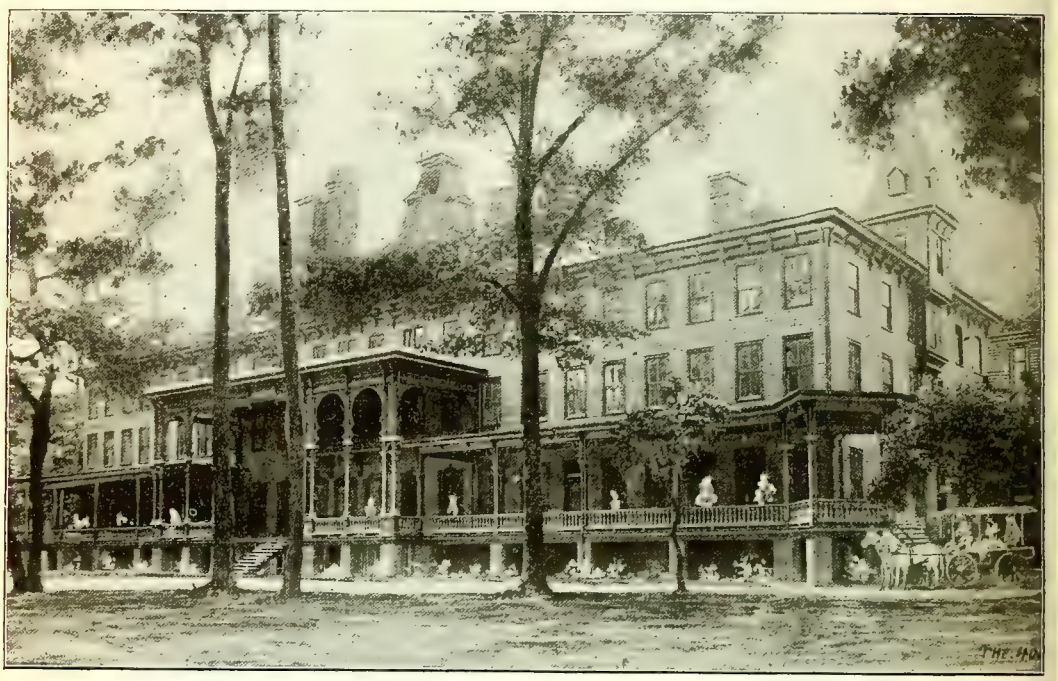
PINE FOREST INN,

SEASON 1903-1904
OPEN NOVEMBER TO MAY.

SUMMERVILLE,
S. C.



The Pine Forest Inn Company take pleasure in announcing to former patrons and those who contemplate a sojourn in the South during the winter 1903-4 that the Inn will open for the coming season with many improvements to the hotel and property that cannot fail to add to the comfort of its guests. Since the close of the house last spring a new addition has been constructed containing several suites of rooms with bath, steam heat, and open fireplaces, and furnished in the luxurious style of other portions of the Inn. An extension enlarges the dining-room to double its former size, and provides several smaller dining-rooms and a commodious room for balls and entertainments. The kitchen facilities are also improved.

The Former Excellent Golf Links have been extended to an eighteen-hole course. Artificial bunkers have been added, and the hazards difficult enough to be interesting. The turf is the finest in the South. There is a good club house situated at the first tree, commanding a view of the entire course. The links will be in charge of a professional instructor, and tournaments will be a feature during the season. The climate of Summerville will admit of playing any day in winter. A fine boulevard leads from the Inn through the park and past the tea and floral gardens of Dr. Charles U. Shepard to the club-house, less than a mile distant.

The Pine Forest Inn Hunting Grounds, containing two thousand acres, with its Colonial Club-House, and the variety of game with which the preserves are stocked, should be a great attraction for all fond of hunting, etc.

The Owners of the Inn have spared no expense in the equipment of the hotel and providing for the comfort and amusement of guests, and the large patronage enjoyed by the house in past seasons is the best evidence of its popularity. Situated in the middle South, in the dry, fragrant air of the pines, and easy of access from all points, the Pine Forest Inn offers an ideal climate and many advantages not found at other Southern resorts.
